Conditions of Hire Hirers using Meat Market lighting or gallery hanging systems will be required to complete an exhibition equipment usage agreement. Missing items will incur charges payable upon completion of hire.

The Stables floor cannot have marking tape of any kind affixed. Damages caused by marking tape will require a full floor repaint. Labour and materials required to make good will be charged to the hirer.

Most hires are subject to requirement of a Technical Supervisor for bump-in and bump-out. All events with the public in attendance will require a Venue Supervisor in attendance to act as a site warden.

All electrical equipment must be Tested & Tagged as per AS 3760.

It is the hirers responsibility to ensure that any staging, scenery, curtains, back drops, banners and other stage dressings that are made of flammable material be treated with Fire Retardant as per the Building code Australia specification C1.10.

Whilst every effort is made to ensure this stock is available and in good working order, please check specific items with the venue prior to hire period. All requests for equipment must be made in writing to Meat Market's team. The equipment availability is based on a first come first serve basis and may incur hire charges. Any equipment that is damaged by use from a hirer will incur repair or replacement charges. Please discuss requirements with Meat Market's team, charges apply.
