IMPORTANT NOTE

Most 'fixed' equipment can be moved to accommodate your event. However, please discuss this with the Technical Operations Manager before proceeding, and please make sure items are returned to their standard positions during bump out to avoid extra costs.

Whilst every effort is made to ensure this stock is available and in good working order, please check specific items with the venue prior to the hire period. All requests for equipment must be made in writing to the Meat Market team.

Equipment availability is based on a first come first serve basis and may incur hire charges. Any equipment that is damaged by hirer use will incur repair or replacement charges. Please discuss your requirements with the Meat Market team. Charges may apply for extra needs.

DWG & PDFs of each space/floorplan/lighting rigs are available upon request to the Technical Manager or found on our [website](#).
